A-SPAN moved into its new home October 1, 2015 and the Homeless Services Center (HSC) is open for business. This year-round resource center provides shelter, medical care, hygiene and mental health care, counseling, and most importantly helps move people from homelessness to a home. The HSC is the first of its kind in the DC metro area and is a powerful new resource in Arlington County.

The community came out in strong support of the HSC at its grand opening in October and was well represented by the Arlington County Board, local businesses, families, volunteers, and friends. At the ribbon cutting ceremony, A-SPAN President and CEO Kathy Sibert stated that the “HSC is so much more than just a shelter. It allows us to offer all our services under one roof for the first time, including food, shelter, full-time nurse practitioner and medical respite program, counseling and job training”. Most importantly “the Homeless Services Center will help the community and A-SPAN to shorten the amount of time it takes to move someone from homelessness to a home” Sibert said.

The opening of the year-round resource center is the latest step in a multi-tiered effort to end homelessness in Arlington County. A-SPAN board Chair Jim Whittaker states that “A-SPAN has been working towards this for a long time, and this Center is an essential tool to help us achieve our goal of ending chronic homelessness in Arlington”. The new HSC removes barriers to care, and expedites the process of getting people into homes successfully, and keep them housed.

The HSC has a commercial kitchen, classroom for job training, 14 beds and lockers for women, 36 for men, a quiet room with donated puzzles and games and a medical examination room for the nurse practitioner. In addition to basic health care provided on-site, the Center also has five individual medical respite rooms reserved for clients who have been discharged from the hospital but need additional time to recover on bed rest. The year-round Center provides a touchstone for care 24/7 and “is not the end game” either, says Sibert. “This is a bridge so people do not have to live on the streets. Our goal is to find permanent housing and to end homelessness in Arlington County.”
Wow—another year has passed, and the A-SPAN Board, staff, clients, donors, volunteers and supporters have so much to celebrate and be grateful for!

Without a doubt, 2015 was our best year ever. Our revenue grew to a record level, we expanded our medical services and housing programs and moved more people than ever from homelessness to a home. The opening of the new year-round Homeless Services Center was perhaps our greatest milestone, and it is allowing us to make even greater strides toward our goal of ending chronic homelessness in Arlington.

I am also pleased to report that as we have continued to grow, we’ve maintained our organizational culture of austerity. We are keenly focused on doing our work in the most efficient ways, keeping overhead and fundraising costs to a minimum, and effectively managing the resources you invest in A-SPAN. As a result, 92 cents of every dollar we brought in this year was used directly for our clients—a remarkable measure of efficiency. It was also gratifying to see our business-like approaches recognized by outside groups focused on best practices in the nonprofit sector. We were thrilled to be a finalist and Honorable Mention Winner of the Washington Post Award for Excellence in Nonprofit Management, and winner of the Center for Nonprofit Advancement’s 2015 Board Leadership Award. Most recently, President/CEO Kathy Sibert won the 2015 EXCEL Award in recognition of all she does to lead A-SPAN toward achievement of our goals.

The work of ending homelessness is indeed challenging. But with all of the community support we have received, we have built a strong and vibrant organization that is truly up to the task. Together, here’s to making even more progress in 2016!

Cheers,

Jim Whittaker
A-SPAN Board Chair
About a year ago, Marine Corps veteran Ms. Hopper found herself wandering around Rosslyn with no family, few belongings and no place to stay. After being approached by A-SPAN Outreach Worker David Ordonez, Ms. Hopper agreed to go to A-SPAN’s day program to meet with a case manager and begin what would become the journey to her own home.

Ms. Hopper always showed up for her appointments and completed the tasks set out for her by her case manager. She understood the path to housing takes time and work. She shared her case manager’s dedication to achieving the goal of housing. In less than one year, Ms. Hopper set foot into her very own apartment, accompanied by the A-SPAN staff who had helped her along the way.

Thanks to some generous Arlingtonians, Ms. Hopper has a set of pots and pans, dishes, chairs, artwork and a tv adorning her new apartment. A friend gave her a trumpet and she looks forward to learning how to play, particularly so she can play some of the music she composed herself.

Between music and dance classes, Ms. Hopper keeps herself busy and absolutely loves her new home.

Read their stories:

- Mr. Acosta moved from couch to couch over the course of a year until he connected with an A-SPAN Outreach Worker in Shirlington. He now lives in an apartment near Courthouse.

- Ms. Davis struggled for years with substance abuse and homelessness before hearing about A-SPAN from a friendly stranger on a Metro bus. She is now a graduate of Drug Court, has been sober for over a year and finally has her own place to call home.

- Mr. Peters was housed in a one-bedroom apartment in Arlington. He currently works two jobs and is going to school to make a better life for himself.

- 65-year old veteran Mr. Andrews loves his new rocking chair, but more importantly, loves his new home.
A Message From A-SPAN’s President/CEO Kathleen Sibert

President / CEO Kathleen Sibert Wins EXCEL Award

A-SPAN President/CEO Kathleen Sibert recently won the Center for Nonprofit Advancement’s 2015 EXCEL Award. The Gelman, Rosenberg and Freedman EXCEL Award recognizes and spotlights outstanding leadership among Washington-area nonprofit chief executives in the areas of innovation, motivation, community building, ethical integrity, and strategic leadership.

“A-SPAN has a new home! With the opening of the Homeless Services Center (HSC) this past October, we have a powerful new resource in Arlington. The HSC is much more than a shelter. It is a one stop shop for our homeless neighbors to move from homelessness to a home. Moving someone into a home is life changing. Everything improves – their health, job prospects, family connections and overall well-being.

Our vision is to end homelessness in Arlington, and we are making great progress. FY 2015 was a great year for A-SPAN. We realized a decades-long dream with the opening of the year-round Center, opened a five-bed Medical Respite Program and partnered with Arlington County to be the second county in the nation to end veteran homelessness.

These accomplishments are a direct result of the support A-SPAN gets from the community. We thank a committed Board of Directors, our faith-based and business partners and all the individuals and schools who help support our homeless neighbors. When combined with robust financial controls, it means that 92 cents of every donated dollar is spent directly on our clients.

I am confident FY 2016 will be another successful year for A-SPAN. We still have much work to do. A-SPAN remains dedicated to helping the County’s most vulnerable and working towards ending homelessness in Arlington.

Thank you for your ongoing support and generosity.

Kathleen Sibert,
A-SPAN President / CEO

Ending Homelessness in Arlington

Fiscal Year 2015 Donors

A-SPAN is grateful for the thousands of donors, volunteers and community supporters who help us End Homelessness in Arlington. We could not accomplish the work we do in securing permanent housing and providing life-sustaining services to our homeless neighbors without the generous gift of time and resources from so many friends in the community. The following list is of donors of $100 or more who gave to A-SPAN between July 1, 2014 and June 30, 2015.

A-SPAN supporters also make contributions that go beyond a financial gift. What started more than 25 years ago with a few dedicated individuals has blossomed into a broad community of supporters and volunteers. Many generously give of their time and volunteer in a variety of activities that include sorting client mail, preparing meals, monitoring laundry operations, folding shirts and pants in the clothing room, or answering phones. A-SPAN is thankful to its 1,955 volunteers who worked more than 12,842 volunteer hours in fiscal year 2015. For more information about making a gift, becoming a monthly donor, or including A-SPAN in your estate plans, please contact Scott Miller at smiller@a-span.org or 703-228-7809.

A-SPAN thanks the 1,955 volunteers who worked 12,842 hours in Fiscal Year 2015. Services like the Homeless Bagged Meal Program and Homeless Services Center would not be possible without their contributions.

Record Turnout at A-SPAN Coming Home Breakfast

On March 31, 300 people joined A-SPAN for our 3rd annual Coming Home Breakfast. The event gave guests a background on A-SPAN and our efforts ending homelessness in Arlington. Keynote speaker Dr. Matthew Shank, President, Marymount University, told guests how he spent a night on Arlington’s streets to gain a better understanding of homelessness. “I have never experienced such loneliness and isolation. The next morning I returned home to my family forever changed, impassioned about eradicating homelessness in our community.” Later, client Mr. Ford shared in a video how A-SPAN transformed his life through housing, describing A-SPAN as “life-saving people that came out of the blue, from heaven, for real.”

If you were unable to attend, please consider a gift to A-SPAN. Your generous contribution will help provide everyday household items for a recently-housed client and help make an apartment feel like home.

- $25 buys bath towels
- $50 buys plates and dishes
- $100 buys a comforter and sheets
- $250 buys everything for the kitchen
- $1000 buys everything for an apartment
